

7 Action Steps for Putting Your Sales Funnel Together

1. download thrive architect templates for your funnel pages
2. upload TA templates for your pages to your website on their respective pages
3. download vsl's for my funnel products
4. adjust the VSL's to fit YOUR funnel products
5. Record VSL videos
6. Upload VSL videos as unlisted videos to your youtube channel
7. Replace my videos with your videos on the funnel product sales pages
