A SIMPLE 8 STEP GUIDE

Part 1

A THOUSAND BUCKS DOESN'T MATTER...

A thousand dollars doesn't matter...
Someone told me that today.

“Dude your new course isn't interesting to me because first off I
am interested in making more than a thousand dollars...”

I was thinking...wow...since when? But okay. I make lots of
money online and a thousand bucks still matters to me.

Sometimes I think we let people set the bar a little to high for us
when a thousand bucks earned is looked at as a failure...

...a thousand bucks should still matter to you. Don't drink the
Facebook kool-aid. Stop comparing yourself to others.

Here's the thing. You have to crawl before you can walk. You
have to walk before you can fly.

A thousand dollars should matter to you, because if you can do it
once you can do it again.

Affiliate marketing should matter to you because it is a newbie
friendly activity.

But I digress...

Part 2

A SIMPLE 8 STEP GUIDE

Let me give you a step by step guide to succeeding with affiliate marketing right here.

How to Make a Thousand Bucks With Affiliate Marketing in 30 Days or Less!

Step 1. Create a simple lead magnet (a cheat sheet or simple primer would work great)

Step 2. Create a paid upgrade for that lead magnet (give them PLR rights on your simple cheat sheet or primer)

Step 3. Find an offer to promote that makes sense. Request to affiliate. Reach out on facebook to vendor and friend request. Message vendor and let him know you requested to affiliate. Ask for a review copy.

Step 4. Review product.

Step 5. If product is good and you are going to promote it reach out to product vendor on Facebook and ask for a bonus spot. Give link to your lead magnet for bonus spot.

Part 2

A SIMPLE 8 STEP GUIDE

Step 6. Start a youtube channel. This will be an affiliate campaign channel. We will be using it to do affiliate promotional videos.

Step 7. Create 4 simple videos for the product you are promoting. Upload them to youtube 1 a day. Put affiliate link in description.

Video one - soft pitch - tell a story, have a related lesson or takeaway, pitch product

Video two - content - give 3 to 5 actionable tips or strategies about subject and then pitch product

Video three - content - brief overview guide to solve problem then pitch product for a deeper solution

Video four - hard pitch - focus on normal product review talk on features and benefits and opinion on product.

Step 8. Create a 5 email follow up sequence for your list that promotes a high ticket offer, that will put you in a position to make large commissions much faster. (My high ticket offer is called Epic Conversions IM Jumpstart)

Part 3

NOW WHAT?

So with that little 8 step system you will be making small commissions from affiliate marketing the launched products, you will be building a buyers list without launching any products yourself...

...and you will be earning a few big ticket commissions from your email sequence.

It's a great systematized way to start an affiliate marketing business. You can do it without any money too and that's awesome.

Now obviously this guide is a little bit of an overview but you can make a hell of a lot more than 1,000 bucks running it.

If you want to know how to get started with it and you are serious...then you owe it to yourself to check out [Affiliate Rising: Reloaded](#) because it will take you into detail on this system.

That's all I got!

Kam Fatz

P.S. Don't let the Youtube thing scare you. We go into it in depth inside [Affiliate Rising](#), and you can even replace it with something different if you need to.
